Welcome to Sutton Court Care Home for the elderly. We are situated only a few minutes walk from Sutton in Ashfield town centre and have well maintained gardens with an enclosed inner courtyard where Residents may sit and enjoy peace and security.

The purpose built Home is furnished to a high standard with all bedrooms at least 12 square meters. We have communal lounges and several smaller areas where Residents may go when they require privacy. The Home is equipped to suit all needs and is designed to help all Residents maintain as much independence as possible. There is a kitchen where Residents or their guests may help themselves to tea or coffee at any time. Meals are catered for by qualified cooks who offer extensive menus as well as special diets, and home baked cakes.

We have a 12 bedded extra-care unit in the Home which is registered to care for Residents with various types of dementia with staff specially trained to cope with the specific care needs of this user group.

The Home also offers a hydro-therapy pool, Jacuzzi, and sauna as well as a hairdresser, visiting physiotherapist, chiropodist, optician, and dentist

Our friendly staff are all trained to a high standard to meet the needs of our Residents. Our Manager and Deputy Manager both have extensive experience in the care sector and hold NVQ level 4 Registered Managers Awards.

At Sutton Court we believe in maintaining individuality, giving choices, respecting privacy and dignity for all and would like to welcome you to visit us whether it be for a day, respite care or long term care.
