Our independent living suites at Heanor Park are the perfect step-up between living independently and living with 24 hour care.

These gorgeous suites offer independent living with ***all bills, meals, drinks, activities, cleaning and laundry included in the weekly fee.*** You can also add on a flexible care package to suit your individual care needs.

Plus if your needs change in the future and you require more care, you won't need to move again and you can simply move into another part of the home.
